How to Update Postal Rates

Instructions to Update Rate Table for FP OptiMail 30 Machine

1. Make sure OptiMail is connected to phone line.
2. Master card must be inserted into the OptiMail.
3. From the **HOME SCREEN**, press the **MENU** button.
4. From the **MENU**, scroll down until you see **MODEM AND TELEPHONE NUMBERS** select **CHANGE DIALUP NUMBERS**. Then select **RSI**. (If you don't see this option your software and meter is not compatible.)

5. Verify the number listed under **RSI** is 18889888407. If this number is not listed enter this number and hit **SAVE**.

6. Hit **BACK** button until you are back on **HOME SCREEN**.

7. Hit **MENU** then **SCALE AND POSTAGE RATE MAINTENANCE**. Then hit **UPDATE RATE TABLE**. Hit **CONTINUE**. It will ask you again, Hit **ENTER** button. This may take a few minutes.

To verify the new Rates were successfully downloaded check your Rate Table on the OptiMail30.
